ART WEEK HAS A NEW LOOK

We're excited to present the new City of Marquette Art Week Logo designed by local graphic designer and illustrator, Alan McAnulty.

"Design and illustration for print or web have at their root the necessity of both clearly thought-out communication and the poetry of thought"

Art Week Logo Designer: Alan McAnulty

WELCOME TO ART WEEK 2021

Arts & Culture Manager Tiina Morin

Art Week has become an unofficial kickoff to Marquette's summer event season and a true coming together of our creative community. Last summer, Art Week was cancelled due to Covid 19. The year off presented an opportunity to reconnect and heal our community. We invite you to explore all the different art forms and arts and culture experiences Marquette has to offer and to engage and connect with your creative spirit. When it's free and happening all over town, how could you not want to join in the fun?

This year follows a first-time theme of Reconnecting Through the Arts, encouraging us to reflect on the past year and to bring us together to create the community we imagine. We are so grateful to have the opportunity to celebrate our artists, and to see your faces once again.

Happy Art Week
