

## CITY OF MARQUETTE 2018 FALL YARD WASTE & BRUSH COLLECTION

Properties paying the "Solid Waste" fee on their monthly utility bills (green bag or cart users) are eligible to dispose of yard waste through this collection. Owners and tenants of properties not paying the fee should contact their regular waste hauler for service. This service is supported by **fees, not taxes**. All residents are asked to observe the following rules to provide for a safe, efficient cleanup.

1. These collections are for brush, leaves, grass clippings and garden debris only. **NO** rubbish is allowed. All collected material will be composted. Material is not to be placed curbside more than one week prior to pick up date. Material **MUST** be placed curbside prior to 7:00 a.m. of the scheduled pick up date. If crews are ahead of schedule, they will return on your scheduled day to collect.
2. Pile yard waste on the lawn next to the street edge, **NOT** in the gutter or on street pavement. Keep yard waste in front of your own property. Do **NOT** pile on vacant adjacent properties. Motorists are asked to avoid parking in positions that block access to leaf piles or they will not be picked up.
3. Brush will be collected October 22 – October 26. The volume from each property is limited to one pickup load, a pile approx. 12'L x 6'W x 5'H.
4. Crews will collect loose or paper landscaping bagged leaves October 29 – November 2. Crews will return to the same routes November 5 – November 9 and collect loose or paper landscaping bagged leaves again. **If you choose to bag your yard debris, only paper landscape yard waste bags are permitted. Plastic bags will not be collected.** Bags containing garbage or other rubbish mixed with the yard waste will not be collected.
5. The City will not collect material after the last date listed below for each route. Residents are asked to deliver it to the composting site at 1415 Pioneer Rd. The site is open Tuesdays 3:00 pm – 7:00 pm and Saturdays 9:00 am – 1:00 pm. The site closes November 10, 2018 for the season, weather permitting. Notification of the exact date will be sent out via public service announcement. Any yard waste will be accepted but brush will be limited to one pickup load per day. Proof of solid waste fee payment and ID is required for admittance.
