BACKGROUND:

The City Commission has adopted Rules and Regulations for City of Marquette marinas and boat launching facilities. The Harbor Advisory Committee is requesting the City Commission consider amending Rule 3.06 Seasonal Boats. The Harbor Advisory Committee reviewed the proposed policy language at their November 12, 2013 meeting and made the following motion:

Moved by Conley and seconded by Frak to approve the proposed rule addition 3.06 and pass it along to the City Commission.

FISCAL EFFECT:

There is no fiscal effect with this action.

RECOMMENDATION:

Adopt Rule 3.06 Seasonal Boats as amended.

ALTERNATIVES:

As determined by the Commission.
