### 2026 FALL YARD BRUSH AND LEAF CURBSIDE COLLECTION

Properties paying the “Solid Waste” fee on their monthly utility bills are eligible to dispose of yard brush and compost through this curbside collection. Owners and tenants of properties not paying the fee should contact their regular waste hauler for service. This service is supported by fees, not taxes. To ensure a safe and efficient cleanup, all residents are asked to observe the following rules.

1. These collections are for brush, leaves, grass clippings and garden debris only. NO garbage is allowed. All collected material will be composted. Material is not to be placed curbside more than one week prior to the pick-up date. Material **MUST be placed at the curbside prior to 7:00 a.m. on the scheduled pickup date.** If crews are ahead of schedule, they will still return on your scheduled day to collect.
2. Pile yard debris on the lawn next to the street edge, NOT in the gutter or on street pavement. Keep yard debris in front of your own property. Do not pile on vacant adjacent properties. **Motorists are asked to avoid parking in positions that block access to leaf piles, or they will not be picked up.**
3. **Brush will be collected October 26 to October 30.** The volume from each property is limited to one pickup load, a pile approx. 12'L x 6'W x 5'H.
4. **Crews will collect loose or paper landscaping bagged leaves November 2 to November 6. Crews will return to the same routes November 9 to November 13 and collect loose or paper landscaping bagged leaves again.** If you choose to bag your yard debris, only paper landscape yard waste bags are permitted. Plastic bags will not be collected. Bags containing garbage or other rubbish mixed with the yard debris will not be collected.
5. The City will not collect material after the last date listed above for each route. The Compost Drop-off Site, 1415 Pioneer Rd., is open Tuesdays 3:00 pm – 7:00 pm and Saturdays 9:00 am – 1:00 pm. Effective October 1, the site will be open Tuesdays 3:00 pm – Dusk and Saturdays 9:00 – 1:00 pm. The site closes November 10 for the season, weather permitting. Notification of the exact date will be sent out via public service announcement. Any yard waste will be accepted but brush will be limited to one pickup load per day. Proof of solid waste fee payment and ID is required for admittance.
